The notation is presented in a grid format. The vertical columns are labeled at the bottom as A, B, EF, CDGHL, and GROUP. The horizontal sections are labeled on the left as 1, 2, 3, and 4. The notation consists of various geometric symbols (triangles, squares, circles, lines) placed on or between horizontal lines, representing dance steps or positions. Some symbols are enclosed in boxes or have additional markings like dots or crosses. A large watermark 'Dance Notation Bureau' is centered over the page.
