

⊖ = a pot

⌵ = Rabbi's chair

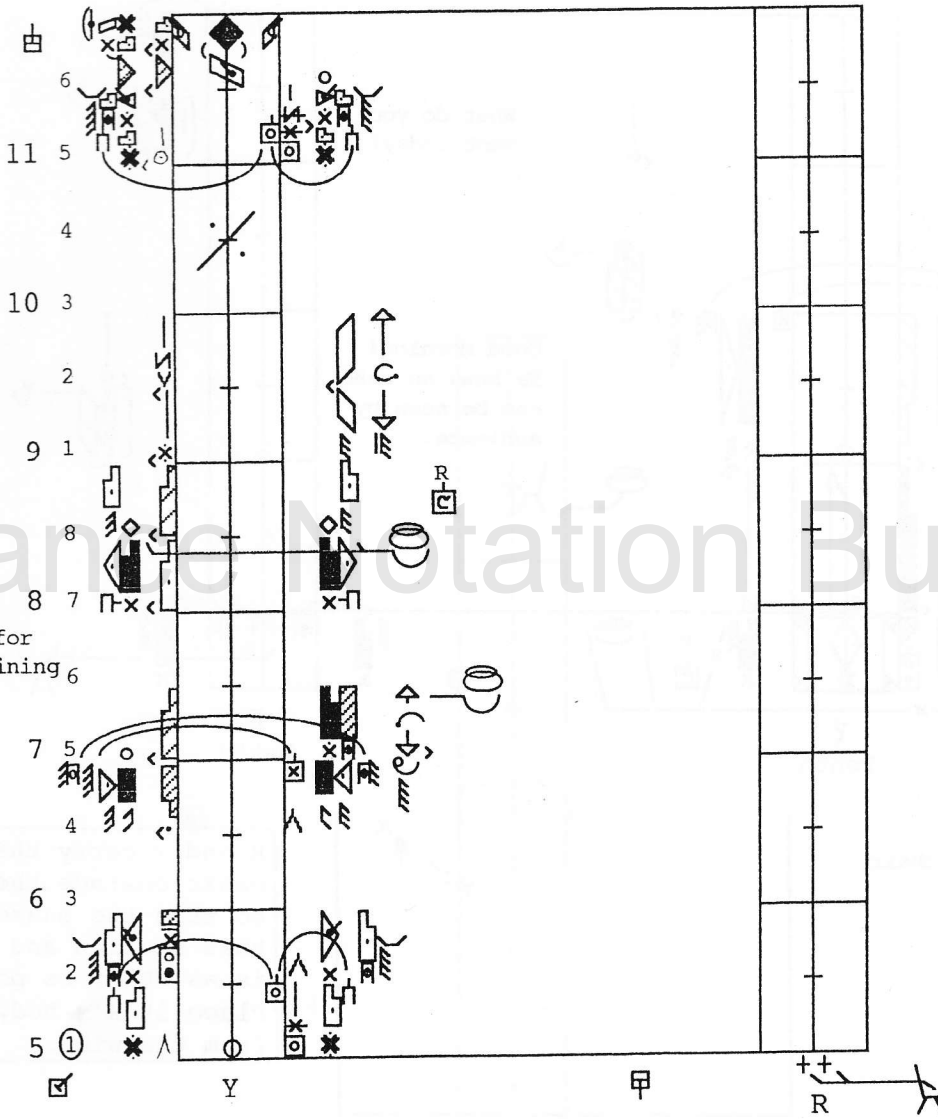

R and Y carry the Rabbi's chair onstage themselves so that the pause between this section and the last is as short as possible. Place it R's body length from the wing.

Music Note: There is not enough room on the music score to number the measures of this section. For an explanation of the phrasing, see 'Run Down of the Pot - 1956' which is included with the music score.

Tell the story of the pot.

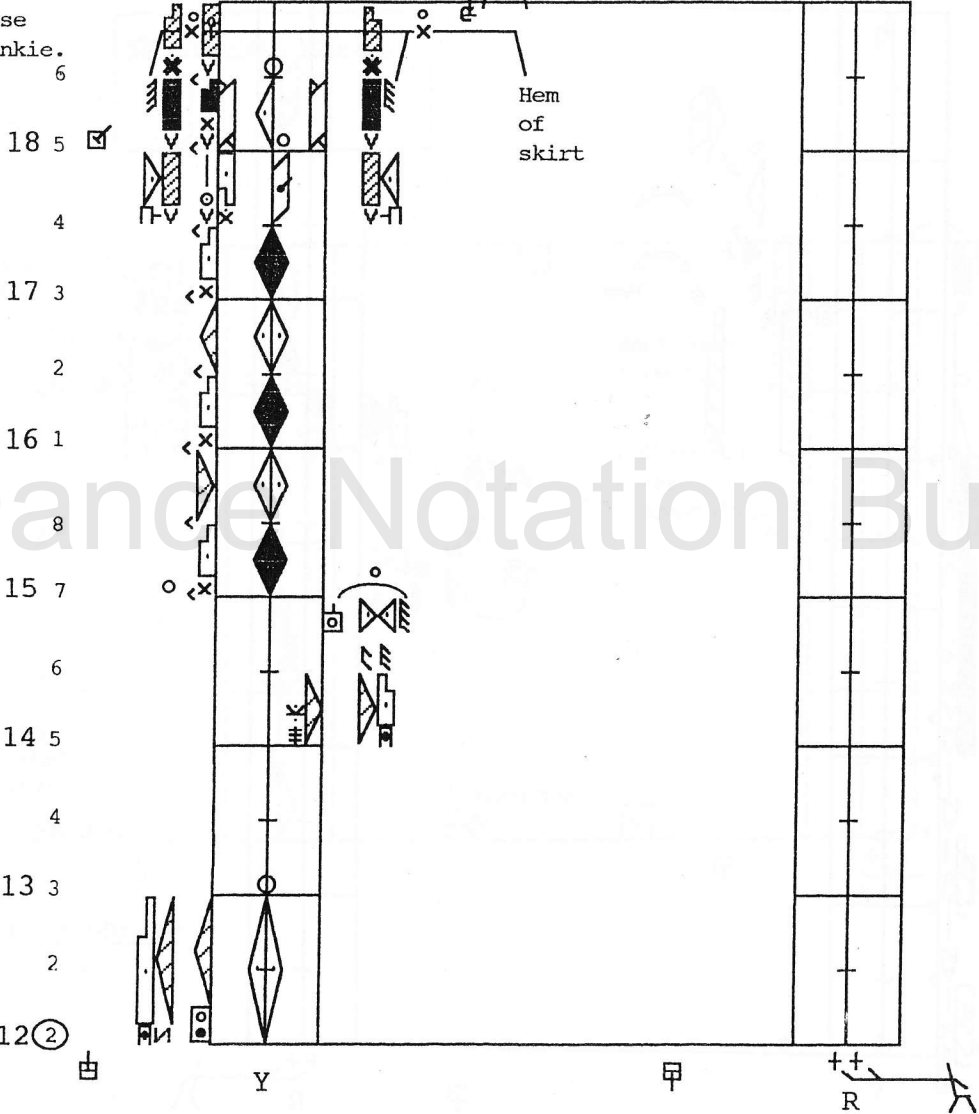

Feeling sorry for yourself-explaining about the pot.
